*List compiled by Mallory Maslar & Dr. George Kamajian*

10) **Storage** - We will be able to stop searching for supplies in the women's bathroom.

9) **Florida Weather** - We will be able to hold a coffee hour without your plate blowing in your face with hurricane force winds.

8) **Women's Guild Clean up** - Coffee hour clean up will no longer have to be done in a bathroom sink.

7) **Sunday School classrooms** - What is this a room for ants? No, it's just our Sunday school class room.

6) **Father Hovnan's Office** - What is the difference between Father Hovnan's office and his Vestry to get ready for church? Nothing, they are the same room!

5) **Parish Council Meetings** - Parish Council (PC) meetings are held so far away from the church, they might as well meet in Armenia.

4) **Cultural Events** - Armenian superstars and celebrities need a place to hang out.

3) **Name on the wall** - You can have your name on an electrical shock outlet for donating \$100,000.

2) **PC Members stop asking you for money** - Parish Council members will stop asking you to donate money, well ask a little less.

1) **YOU!** - St. Hagop Loves and Supports each of its members and with a hall we will be able to better engage and serve our community.
